ABOUT THE TEAM

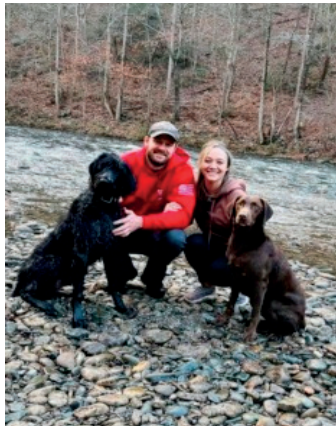

GM Therapy Solutions is a family owned and operated company founded by two college buddies that joined forces after working together at a physical therapy equipment dealership. After putting their education to the test and nearly a decade of learning the PT industry, Cyler and Justin decided to build a business of their own where the customer experience comes first.

At GMTS, we pride ourselves on making the equipment purchasing process simple, fast, and stress free... all without our clients doing any of the heavy lifting. Technology in the physical therapy world is always changing. Having a reliable equipment partner shouldn't. We would love the opportunity to work with you and your team to find and implement the best therapy tools for your patients and your business.

The G.

Justin Guthrie - Co-Owner of GM Therapy Solutions. The big picture guy with an even bigger personality! Justin studied Kinesiology and Exercise Science at Tarleton State University and Midwestern State University, where he met his wife, Emily. The Guthrie's enjoy spending their time with family, hunting, fishing, supporting local youth sports teams, and serving at Calvary Church in Denton, TX.

The M.

Cyler Matlock - Co-Owner of GM Therapy Solutions. The savvy specialist that is the fuel on the fire! Cyler has a master's degree in Exercise Physiology from Texas Tech University and lives in Denton TX with his fiancé, Kelly, and their two dogs, Zeppelin and Gus. Cyler is an avid outdoorsman and loves spending his time hunting, fishing, playing golf, and traveling with Kelly and their pups.

WE GET IT – OUTFITTING YOUR CLINIC FEELS COMPLICATED

We've helped thousands of clinics like yours outfit their practice. It's simple and stress free.

HOW WE UNIQUELY HELP YOU

FULL SERVICE

Make life easier for yourself and have our team handle everything from planning to installation.

ANY BUDGET

Ask us about our current stock of pre-owned equipment to stretch your dollar further.

ANY TIMELINE

We deliver on time, everytime, so you can get back to treating patients.

WHAT IS A CHAOTIC EQUIPMENT OUTFITTING EXPERIENCE COSTING YOU?

- ✓ Delayed opening
- ✓ Lost revenue
- ✓ It's getting in the way of treating patients

WHO WE PARTNER WITH

- ✓ Physical Therapy Clinics
- ✓ Skilled Nursing Facilities
- ✓ Medical & Rehab Clinics
- ✓ Acute Care Hospitals
- ✓ Athletic Training Facilities
- ✓ Government Facilities

PHYSICAL THERAPY, REHABILITATION & ATHLETIC TRAINING EQUIPMENT

STRESS FREE EQUIPMENT PURCHASING

1

CALL US

Once you schedule a call, we will assess your purchasing timelines, budget and equipment needs.

2

GET A PLAN

Based on your feedback, we will develop a detailed equipment plan that maximizes the ROI on your capital spend and makes your practice stand out among competition.

3

GET BACK TO WORK

Our proven and stress-free process will get you back to taking care of patients. Buying equipment shouldn't get in the way of taking care of people and running a successful business

OUR MEDICAL EQUIPMENT SERVICES

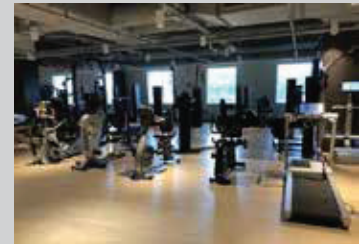

ONE POINT CONTACT

Want a single point of contact for your purchasing process? Collaborate with a single account executive on every detail.

PERSONALIZED OUTFITTING

Take the chaos out of outfitting your clinic. Our team can handle everything from planning to installation. All based on your vision.

WHITE GLOVE DELIVERY

Our experienced team can help you with equipment layout and training. We will take care of the heavy lifting & assembly too.

FREE EQUIPMENT EVALUATION

Let us give you a complimentary equipment evaluation, you may need to replace or repair equipment you already have. Make the right choice for you.

✓ Know your equipment's trade-in value

✓ Find out which equipment is still under warranty

✓ Understand future costs and estimated future capital experiences

✓ OUTFITTING EXPERTS

✓ SAVE TIME

✓ STRESS-FREE

GM THERAPY SOLUTIONS

PT EQUIPMENT & SUPPLIES

Annual Biomed Safety Checks:

We perform annual Biomed Safety Checks and Calibrations. Included is a certification sticker for each unit along with a Biomed log that has each serial number listed. Pricing is below:

1-5 units: \$395.00

6-10 units: \$550.00

11+ units: \$995.00

Please call to see if your location qualifies for the above discounted pricing.

Preventative Maintenance Program:

This package includes your annual biomed safety checks and OEM specified and recommended servicing. Pricing is customized and we offer a free clinic evaluation in order to build out your PM pricing for all of your equipment

Sup-R Bands & Tubing

Sup-R Band performs like latex with the non-allergenic properties of being latex-free

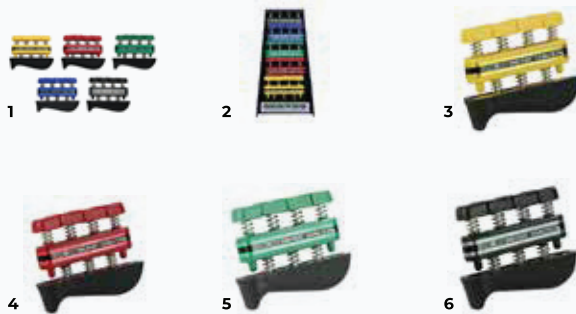

It is made from a premium latex free formula and excels compared to other latex-free exercise bands. Our Thermoplastic Elastomer (TPE) latex free formula has similar use and strength characteristics to latex exercise bands along with similar puncture resistance, and similar tear and burst strength

Sup-R Band comes in 5 color-coded resistance levels
Change the difficulty by increasing or decreasing the resistance level
